Builder/Architect Magazine

Parker Construction Chosen for Cover Story

Parker Construction is pleased to announce that we have been chosen for the feature cover story in the April edition of *Builder/Architect Magazine's* Rhode Island edition. We are honored and delighted to be the featured builder in this issue. Our commitment to quality craftsmanship will be highlighted in the full-color spread, giving us an opportunity to showcase some of our work.

Parker Construction is dedicated to the absolute highest quality craftsmanship possible. Our team of professionals specialize in building and renovating custom homes for the highly discerning customer. Another forte' is our ability to meet the most demanding and extraordinary schedules without compromising quality or attention to detail.

Builder/Architect is a sixty-nine year old publication read by Architects, Designers, Landscape Architects, and the building industry trades in Massachusetts and Rhode Island.
